Ostermeier, Jennifer 9:13 AM:

Hi! Did you get the link to that Juneau website? I can find it, I've been out so wasn't the one working on it. Do you have time for coffee today?

Holst, Linda 9:22 AM:

No, I can't find the link. Can you email it to me? Is the site ready to share with WDNR or does ORC need to look at it? I want to make sure all PII is gone.

Jennifer Ostermeier 9:23 AM:

I'll check with Karen.
